Principal's Message

Dear St Andrew's Community,

Welcome back to what is expected to be another great year of learning and flourishing for all students.

We have been blessed with time over the past 5 weeks to renew and refresh, celebrating not only the birth of our Lord Jesus but also a time to celebrate with those we love and hold dear to each of us.

Our staff has been very busy over the last few weeks preparing for the return of our students. I wish to share with you our staff for 2024. There have been some changes since the first list went out in week 10 of Term 4, 2023. Please see the updated Staff List attached.

I wish to inform you that Mrs. Herbert has accepted an appointment at a Parramatta Diocesan school. Mrs. Herbert has been at St. Andrews for more than 30 years. We will all miss her very much, and we wish her well as she embarks on this new chapter in her life.

If you need to collect your child early from school, please send a note with your child to your child's teacher stating the time you wish to pick him or her up.

In the case of unforeseen circumstances, please come to the school office, and we will arrange for your child to be brought to the office for collection.

No child will be called to the office for collection during recess (11:00–11:30am) or lunch (1:30–2:00pm) without prior notice.

Any child leaving early must be signed out before 2:50pm.

If anyone other than the child's parent is collecting your child, please call the school office or send a letter to advise. Photo identification and a phone call to the parent for confirmation may be required; this includes emergency contacts.

The Administration team look forward to answering any inquiries you may have, or directing you to the appropriate staff member for help. Office hours are from 8:30am–3:30pm every day.

From the office team

Important Updates

We understand that it is inevitable from time to time that items will be misplaced by students.

In order for an item which is found to be returned to the rightful owner, we ask that all items brought to school are labelled with the child's name and current class.

Items include: lunchboxes, drink bottles, jackets, jumpers, hats, library bags, wallets/purses.

If your child is bringing an item that previously belonged to another student, such as a sibling, please check and correct the label also.

The Lost Property area is located at the rear of the administration block. Students have access to Lost Property during the school day. Parents are welcome to search for items in Lost Property before and after school hours.

I am proud to announce the school team for 2024

Welcome Thay Hoang as our business manager, replacing Mrs. Sandra Dawson. Thay has been associated with our diocese for many years, mainly working in head office, in different roles and appointments. Thay will bring experience and a wealth of knowledge to our finance team.

As our school continues to grow, the administrative team in the office will have a new member joining Mrs. Sandra Stam and Mrs. Skye Duncombe. I wish to welcome Mrs. Leesa Derrick to the team. Leesa has been a part of other CSDP schools and comes to us with great experience.

Our newest members of St. Andrew's entered our school grounds last Thursday and Friday with such excitement and joy. Our Kindergarten students were so excited to meet their teachers, make new friends and play on the grounds of our school. We sincerely welcome our new families to our school, and we wish you God's blessing as you also become very familiar with what our school has to offer your children in the areas of education, spiritual growth, and wellbeing.

Our Goals for 2024

Every year the staff analyses the learning successes of the children to devise the next area of student growth, wellbeing and spiritual growth that we will target for the calendar year. St.Andrew's has made very pleasing and strong growth in all the above-mentioned areas. Our strategic planning and data analysis are very thorough and have enabled our students to flourish and develop solid growth, building good citizens for our great community and world.

Formation	To increase students' sense of inclusivity, connectedness and belonging to a faith community through their understanding and acceptance of lived Gospel teachings.
Wellbeing	To influence others so that we all feel a sense of belonging at St Andrew's.
English	To implement the strategies for breaking down complex texts to improve understanding and responding to texts.
Mathematics	To clearly apply all the components of the Maths framework so that it will target all learning needs.

This year we will be inviting our parents to be a part of our decision-making regarding the school's strategic intent for 2024. This is another way for parents to be an integral part of school life and also understand the complexity of providing strategic support so that all our students feel included, belong to a great and loving community, and that educational opportunities meet the needs and interests of the students. Further information regarding this opportunity will be forwarded via the newsletter and Compass email process.

Annual General Meeting Parents and Friends Association

This year, we will host our AGM on **Tuesday, February 12th at 6pm** in the school library. At this meeting, we will thank the outgoing team and elect the new team for 2024. All parents are welcome to attend the event.

Opening School Mass

Parents and friends are welcome to join us for our Opening School Mass on **Friday, February 9th at 9.15am**. As part of this celebration, we will also induct our sports captains for 2024.

2024 Sport Captains

Congratulations to the following students - we look forward to your official induction.

Cook	Lawson	Macquarie	Sturt
			
Ivy McCarthy	Arianna Faddoul	Winter Tauiliili	Maribella George
			
Liam Inocentes	Cayzer Go	Ryan Kumar	James Cubillo

Ash Wednesday Mass

The students will be attending the Ash Wednesday Mass on the **14th February at 11:45am**. Ash Wednesday marks the beginning of the Lenten season for Catholics. Parents and friends are welcome to join us for this very special Mass.

Term 1 School Holidays

Just a reminder that the school holiday period for the end of term 1 does not begin on Good Friday. **The children will return to school on Tuesday, April 2nd**, for two more weeks of school before breaking up for Term 1 student holidays. I ask that you please think about commencing your holidays at the appropriate time and not early. Every day a student is away from school is time away from learning.

The following is the Term 1 student break.

Monday, April 15th - Friday, April 26th.

Whole School Assembly

Our first whole school assembly will be held on **Friday, February 16th at 2pm** in the school hall. At this assembly we congratulate the students who have achieved success academically as well as how they live their faith, showing the gospel teaching visibly to others. We look forward to seeing you there.

Dates for your diary- Opportunities to meet your child's teachers

During term 1, you will have two opportunities to meet with your child's teacher.

Firstly, a parent information night led by the grade teachers will be held on:

Monday, February 19th for Year 1 and 2 families

Tuesday, February 20th for Year 3 and 4 families

Wednesday, February 21st for Year 5 and 6 families.

Kindergarten families have already had an information night in 2023.

Also, parents will be invited to make an appointment with your child's teacher for a one to one interview. This interview is for parents who wish to discuss privately with the teacher any issues that may affect the learning and wellbeing of their child. I encourage parents to take up the opportunity to speak with the class teacher directly. A booking platform will be sent out in the coming weeks for parents to book a time.

School Safety and Wellbeing

As we commence the new school year, I wish to remind our community of some important school processes and policies to ensure that safety and wellbeing are our collective priorities.

1. Parents are asked not to park in the staff parking area. This car park is for **staff only**. Parents are asked to use the walkways and not walk through the car park, as reversing cars may result in a critical incident when competing with pedestrian traffic.
2. Please use the morning drop-off process correctly. Cars are to enter the parish gate and move slowly to the section under the church pergola. All children must disembark the vehicle from the church door side (car passenger side) and then walk directly into the school grounds. We ask that parents remain in the vehicle to ensure the line processes quickly and without delays. Delay when disembarking the vehicle may cause a bank up of traffic on Breakfast Road. Parents are not permitted to overtake vehicles once on church grounds. This is a high-risk manoeuvre that may cause a critical incident to occur.
3. Once children have entered the school grounds, they are not permitted to leave the gates. Please do not call your child back to the car or the street, as this will place your child at risk.
4. If you are late to school, parents must accompany the child to the front office and sign them in. A child is considered late once the morning music has finished. We ask that children arrive on time every day to ensure they have a very positive start to the school day.
5. Parents must conduct themselves at all times in a respectful manner. At no time, and for any reason should anger, violence or disrespect towards any staff member or community member be tolerated. All issues will be taken seriously and resolved in a respectful and timely way. The school reserves the right to report anti-social acts to the proper authorities.
6. Parking is the responsibility of every individual. If you park illegally and you receive a parking infringement, this is solely the responsibility of the driver. The school does not have any control or influence over the parking police that regularly patrol the streets around the school.
7. Please respect our neighbours and refrain from parking across their driveway. Our relationship with our neighbours is very important to us.
8. Parents are encouraged to communicate with the class teacher. If you wish to discuss an issue, please contact the school, requesting that the staff member contact you at their earliest convenience. Interviews with parents will not take place before the school day or during afternoon dismissal. The priority of every staff member at these times is the safety of every student.
9. If your child discloses a concern that has taken place during the school day, parents are encouraged to discuss the matter first with the class teacher. If they are aware of the issue, they may have already handled the situation. Class teachers are the first port of call for parents.

10. We ask parents not to use social media platforms to negatively disparage the school or any individual member, including students. This causes a breakdown in community building, and may also attract legal action. If you have issues or concerns, please contact the school directly so that the issue can be resolved respectfully and privately.
11. The school newsletter is released fortnightly on Wednesday. The first newsletter will be released on Wednesday, February 7th. The newsletter is the school's main information source, and we highly recommend that parents read it so they are informed as to what is happening in the life of the school. This is sent out through the Compass app.
12. Please download the COMPASS app onto your phone or device. All emails and correspondence will be sent via this platform. All student academic reports will also be accessed via this platform. Please contact the office if you are having trouble accessing COMPASS.

Open Days

If you know of any family considering enrolling their child into St Andrew's Primary School for 2025, please share our Open Days with them. They may contact the front office to book a date and time.

Year 6 Leadership Liturgy

To begin their final year of primary school,
Year 6 gathered in prayer and were reminded that

we are all called to be leaders.

The Book of Samuel told us how Samuel anointed David and that

**“The Lord does not look at the things people look at.
People look at the outward appearance,
but the Lord looks at the heart.”**

Each student was anointed with oil and told

“I see a leader in you.”

Lord, we thank you for the gift of each child that you entrust to us this year. We see great potential in each one of them, Lord, and we know you do too. You created each one of them to be great and so Lord, we ask for grace for each one of these students as they rise up to meet the challenge of being school leaders for the year 2024. Amen.

Community SPORTS NEWS

On 19 December 2023, William Ford represented St. Andrew's in the inaugural CSNSW Aquathlon, which involved a 100m swim and 1KM run done twice, with times being added together for the final results. William pushed through and placed 4th in his age group in the 1 kilometre runs, only seconds behind 3rd place.

On Saturday, William competed in his first swim meet of 2024 where he placed 1st in 50m freestyle, 2nd in 50m butterfly and 3rd in 50m breaststroke, 100m freestyle and 100m backstroke. William was presented with his medals by Paralympic swimmer Timothy Hodge.
